## SPECIAL SESSION

---

County Council Chamber,

Simcoe, November 1st, 1916.

The Council met in Special Session pursuant to a call of the Warden, to consider and to take such action as may be deemed advisable on the appeal from the British Red Cross for pecuniary assistance, and for the transaction of other business.

The Warden in the chair.

The roll was called by the Clerk. The following members answered to their names:—Messrs. the Warden, Lawrence, Collver, MacPherson, Simmons, Walker, Countryman, McKie, Hyde, Cridland, Cunningham, Crane and Gilbert.  
—13.

The Clerk read the Warden's Warrant calling a meeting of the Council and a copy of the notice sent to each member.

The Warden then addressed the Council.

A deputation was present to address the Council on the subject of the work of the British Red Cross, and the need of a county grant to assist the work. Addresses were heard from His Honour Judge Boles, Colonel Donly, Senator McCall, Rev. Mr. Farney and Colonel Atkinson. The Warden thanked the members of the deputation, who then retired.

The following resolution was then adopted by a standing vote:

No. 1.—On motion of Mr. Cridland, seconded by Mr. Simmons,

Ordered,

That it is with feelings of grief and profound regret that this Council is called upon to express its sorrow at the death of one of its members, Charles W. Sanderson, Esq., Reeve of Houghton, and they do hereby desire to bear testimony to their appreciation of the many sterling qualities possessed by the deceased gentleman, both as a citizen and as a councillor, and that the sympathy of this Council be extended to the members of the bereaved family, and that the Clerk be instructed to forward a copy of this resolution to the family.

No. 2—On motion of Mr. Lawrence, seconded by Mr. MacPherson,

And resolved, that this Council place on record its appreciation of the high ideal of patriotic citizenship displayed by Major Charles E. Innes, Deputy Reeve of Simcoe, in his prompt response to the call of duty.

His fine business training and shrewd judgment had already impressed themselves on this body, and a career of usefulness and preferment certainly lay before him. At the sacrifice of large business interests, and with a severing of very strong family ties, Major Innes has chosen to go to the front without regard to the cost. It is hoped that his fine example may be an incentive to others to carefully consider what is their duty in the increasing pressure of this great war.

To Major Innes we wish Godspeed, and when the war is over a record of every task performed. To his family we extend our sympathy and the fervent wish for his early return to them safe and sound.

No. 3—On motion of Mr. Hyde, seconded by Mr. Cridland,

That the account of Ryerse Bros. for five dollars and twenty-five cents be paid.

No. 4—On motion of Mr. Countryman, seconded by Mr. MacPherson,

That this Council do now adjourn to meet again at 2:00 p.m.

And the Council adjourned.

No. 6—On motion of Mr. McKie, seconded by Mr. Crane,

That the request of the Officers of the 133rd Battalion that the Colors of the Battalion be deposited in the Court House for safekeeping be granted, and that the Committee on Public Buildings, together with the Sheriff, arrange for a suitable place for the same.

We have inspected the Gaol and other Public Buildings and everything is in a satisfactory condition.

There are at present four male prisoners confined in the Gaol.

A new motor washing machine has been purchased for use of Gaoler and is working satisfactorily.

A cement walk has been constructed in the clothes yard leading to the back shed, which was a very much needed walk, as the old wooden one was dangerously rotten.

We would recommend that the County Surveyor be instructed to repair the ceiling in the Witness' Room upstairs and to have it repapered.

A new rug has been purchased and put down in the office of the Clerk of the Surrogate Court.

As per resolution passed at the Special Meeting of the County Council held November 1st, 1916, re request of the Officers of the 133rd Battalion for the County Council to assume charge of the Colors of the Battalion, we have ordered what we consider a suitable case with a glass front, to enclose and protect the said Colors, which we have arranged to be placed in the Court Room in the County Court House.

Ordered,

That the said report be received and adopted as read.

The report received and adopted is as follows:

To the Warden and Members of the County Council of Norfolk:

Gentlemen,—

We, the members of your Committee on the Industrial Farm and Home, beg leave to present the following report:

We visited the Home on Thursday, December 7th, and found that the management was entirely satisfactory. The equipment of the Home is in fairly good condition.

There are at present 62 inmates, of whom 41 are men, 19 women, and 2 children. The mothers of the children are employed in the Home.

The inmates declare themselves as being kindly treated, and are contented and satisfied.

Your Committee would recommend:

1. That a new floor be placed in the pantry, as there is flooring already there suitable for the work.

2. The ceiling in the private dining room needs repairing. We suggest that the Special Committee have this done.

3. The Master of the Farm is asking for a manure spreader, which we think would be profitable to the Farm. We recommend that a spreader be purchased.

4. The two Matron's assistants are asking for an increase in salary. The Committee suggest that an in-

crease from ten dollars to twelve dollars per month be granted.

All of which is respectfully submitted,

Signed,

S. J. CRANE,  
GEO. J. McKIEE.

Committee Room,

December 9th, 1916.

No. 7—On motion of Mr. Countryman, seconded by Mr. Crane,

Ordered,

That this Council has given due consideration to the report of Dr. Helen McMurchy on the Norfolk House of Refuge, and will see that any suggestions of value are adopted in the near future.

We are surprised at the change from her report of two years ago. Buildings then valued at \$30,000 are now said to be only worth \$12,000. Buildings now said to be old were constructed of stone and brick in 1898, and were commended as satisfactory.

We resent the dictatorial spirit shown by the Inspector in telling this Council that certain things must be done at once, or must never occur again, which were due to accident or unusual climatic conditions.

The suggestion that the Farm and Buildings be disposed of we consider to be unworthy of serious thought, and show the folly of appointing those whose lives have been passed in cities as Inspectors in rural districts.

This Council declares its intention of giving to the inmates in its care a comfortable home, with proper clothing, food and other requirements, as in the past, and resents unreasonable dictation from any source.

Mr. Lawrence than read the report of the Roads and Bridges Committee.

No. 8—On motion of Mr. Cunningham, seconded by Mr. Gilbert,

Ordered,

That the report of the Committee on Roads and Bridges be received.

The report reads as follows:

All of which is respectfully submitted.
